AWARDED BY **THE TIMES OF INDIA**

Trigya has been awarded by **"The Times of India, Times 40 under 40 Punjab 2023"** as the Rising Stars of North India for their valuable contribution towards education and producing best results consistently.

CO-FOUNDERS OF TRIGYA

MR. DALJEET SINGH
B.Tech IIT-BHU

Mr. Daljeet Singh has successfully accomplished 23 years in this profession starting from teaching Physics in some reputed institutes of Hyderabad, Delhi, and Kota followed by the establishment of Elite Physics Classes where he has been preparing students for IIT-JEE and NEET since 2011.

TRIGYA marks a significant milestone in his professional journey, and he stands poised with unwavering enthusiasm and dedication. He is steadfast in his commitment to extending internship opportunities to an ever-expanding pool of students, equipping them with the skills and knowledge necessary for success in their future professional endeavors and personal lives.

Mr. Shailesh Gupta believes that Education is the only means by which character is formed, acumen is enhanced and independent thinking is developed which enables an Individual to stand on their own feet and contribute towards nation building.

With this belief in his 16- years of teaching experience he has mentored students of top batches in various reputed organizations across India and has produced more than a dozen Rankers in top 100 (JEE Advanced & NEET). Under his guidance more than a thousand students have reached their dream colleges by cracking various entrance examinations conducted at national level.

MR. SHAILESH GUPTA
B.Tech IIT-BHU

MR. RAJAT GARG
B.Tech IIT-Roorkee

Mr. Rajat Garg is an IIT graduate from Roorkee. He has been teaching since 2009. He has previously taught in prestigious organisations of Delhi, Chandigarh & Hyderabad before co-founding Trigya Eduventure.

He has mentored top rankers in JEE Advanced, JEE Main, KVPY & RMO over the last decade. He believes in the saying that "Mathematics is the language with which God has written the Universe", with this belief he strives to ensure that each and every student of his not only understands the fundamentals of the subject but also develop a keen reasoning and logical sense which are imperative for problem solving ability.

Vision & Mission

"Education is the first step for people to gain knowledge, critical thinking, empowerment and skills they need to make this world a better place." We, at **TRIGYA** aim at providing the best in-class coaching to the young **IIT-JEE/NEET** aspirants through interactive methodology and commitment. We believe that the hard work of these students require proper guidance and attention which we are here to provide. We follow a result oriented strategy and our utmost attention is towards guiding more and more budding **IIT-JEE/NEET** aspirants by making education more meaningful and interactive for them.

TRIGYA is dedicated to **BRINGING OUT THE BEST FROM OUR STUDENTS**. Our educational philosophy is rooted in the principles of holistic education, ensuring that your growth encompasses not only academic excellence but also personal and emotional development. We understand that the journey of student is not just about tests and exams; it's about nurturing their holistic potential.

TRIGYA represents a unique fusion of academics, social-emotional learning and personal development. Our pedagogical approach is a harmonious blend of holistic education and a rigorous testing regimen.

Programs & Curriculum

FOUNDATION

COURSE HIGHLIGHTS For **IGNITE BATCH (9th)**

| Class | Schedule | Duration | Exam Target |

in chemistry

“

Joining Tripps Education was the best decision I made for my NEET preparation. The faculty provided exceptional guidance that made even the toughest concepts easy to understand. The personalized mentorship, doubt solving sessions, regular test series, and mock tests (upto of less than 30 and well structured study plan) helped me achieve my dream score. Scoring 180/180 in Chemistry was possible only because of the conceptual clarity and problem solving techniques taught at Tripps. I am truly grateful for the support and valuable recommendations by me to join Tripps to all aspiring students.

I owe a debt of gratitude to Sailesh sir, for teaching and helping me in tough times throughout my JEE preparation. When I joined coaching center, I was a low confident, average student. But teachers there, changed me a lot and Sailesh sir was huge part of it. His way of explaining is superb and I felt chemistry easy because of his teaching style. But I can say, sailesh sir is way more than a normal teacher. He used to be friendly with us, sometimes, I will feel like he is my best friend. Without him, I might not achieve this great feat.

I cannot thank Trigya Education enough for helping me turn my IIT JEE dreams into reality. Sailesh Sir, Rajat Sir and Daljeet Sir are best teachers. The well designed Study material, regular assessments, and mock tests perfectly Simulated the real Exam. The detailed feedback after every test helped me identify my weak areas and work on them systematically. My IIT-JEE journey wouldn't have been the same without Trigya's Support.
